Welcome back to school everyone. Looking forward to new beginnings in Term Two in more ways than one!

This particular Library Insider has been a “Draft” in progress since Term 4 2010. The 4 September earthquake was one disruption, then as the Insider was about to go into production at the beginning of 2011 we had the 22 February earthquake hence the delays.

Please note:- I have included information on “How to access info” - How to access Wellington Ministry of Education Library, How to access TKI & curriculum info, National Library and more.

This newsletter including the “How to find info” can also be viewed via the van Asch Intranet site and the van Asch web site.

On Campus staff will also be able to view Library and Search Information displayed on the Conference Room wall.

Final announcement is that I will no longer be your contact for Library Information queries. I am moving on but still under the umbrella of van Asch Deaf Education Centre so will still be around. Dayle will continue answering your library queries, email: library@vanasch.school.nz or dcampbell@vanasch.school.nz

Have enjoyed my years (many) in the van Asch Library - thanks to all who have supported and assisted with the growth of resourcing.

Signing off :-
Margaret Langdale-Hunt
Library Resource Coordinator
